

## ZOOM MEETING FOR PEDIATRIC HEALTH PROVIDERS & OTHERS

# Pediatric Behavioral Health Crisis Referrals and Support Resources During COVID-19

### The meeting will review:

- Mobile Crisis Intervention Services (2-1-1)
- Access Mental Health
- Connecticut Children's Center for Care Coordination and hospital linkage
- Current behavioral health services & supports
- Short- & long-term strategies for linking providers and families to child behavioral health services

### Objective:

Many children with behavioral health needs, and their families, are under increased stress during the COVID-19 crisis. During this meeting, we will share information about services to which pediatricians and others can immediately refer children with behavioral health needs. We will also generate ideas for improving existing referral and linkage mechanisms to improve access to behavioral health services.
