Mobile Crisis Information Sheet

This resource offers information on 2-1-1 (Mobile Crisis) services. It summarizes what Mobile Crisis is, how it can be used, and the expected outcomes for Crisis Intervention specialists. This resource also offers examples of potential crisis situations in which a referral to Mobile Crisis would be appropriate.

Mobile Crisis in Schools

This video resource provides school administrators, teachers, staff, students and concerned parents with information about Mobile Crisis' role in schools and child mental health. It also provides relevant statistics that showcase the importance and utility of Mobile Crisis services.
